Soham Dalvi

Cambridge International AS & A Level Student

sohamdalvi59@gmail.com 8104377935 SOHAM DALVI Personal website

Education

Cambridge International AS & A Level, Present
Vijaybhoomi Singapore International School Karjat, Maharashtra
Subjects:

- Computer Science (9618)
- Mathematics (9709)
- Physics (9702)
- English (8021)

Technical Skills

- HTML web development
- GitHub Pages deployment
- Arduino IDE and microcontroller projects
- Strong analytical and problem-solving skills
- Python programming
- Version control basics
- Basic web architecture understanding

Projects

Developed and deployed a live college event website (vjcevents.tech)
Focused on structured layout, usability, and digital event promotion.

Technical Activities

Participated in TCS InquisITive 2024 (Mumbai)
a national-level IT quiz competition organized by Tata Consultancy Services.

Extracurricular Activities

Participated in debate competitions
demonstrating structured thinking, logical reasoning, and communication skills.

Technical Interests

Emerging technologies, AI systems, web development, embedded systems, and continuous learning in programming.

Soft Skills

Attention to detail Clear written and verbal communication Analytical thinking Ability to follow technical documentation Fast learner

Objective

Seeking internships, remote technical roles, and project-based opportunities that allow application of programming, web deployment, and analytical skills while continuing to build a strong long-term technology profile.
